

Rubber Stamps Unlimited, Inc.

Capability Statement

We are a leading manufacturer of custom rubber stamps, embossing seals, custom gifts, stamp ink, stamp pads and related accessories. We proudly have been providing top quality products since 1975 and have been under current ownership since 1993. Most products are made in house, so 98% of products ship in one business day or same day when needed. Our website is designed to be easy to use, and we back it up with friendly and experienced customer support. We utilize state of the art equipment with the most current technology and production methods to provide high quality and value to our customers. We are a leader in our industry, which allows us buying power that we pass on to you in lower product costs. We guarantee that you will be satisfied with our products or your money back.
